MEMORANDUM FOR: The Executive Secretary
National Security Council

Reference is made to your Memorandum of 8 October 1948, addressed to the Director of Central Intelligence and pertaining to the action of the National Security Council in amending our directive in connection with NSC 29.

It would be appreciated if this Agency could be informed of the considerations which prompted the decision of the Security Council to amend their original directive. The implementation of our functions in connection with NSC 29 can best be accomplished if we have full knowledge of any new considerations brought to the attention of the Council.

It is strongly recommended that Central Intelligence be represented at Security Council meetings when matters pertaining to CIA operations are discussed.

E. K. WRIGHT
